G&J WEDDINGS WEDDING EXPERIENCE

GOOD TO KNOW

Ceremony type. Weddings at Ginger & Jamu are symbolic ceremonies, led by a professional celebrant — they are not registered as legal marriages under Indonesian law. Indonesia only recognizes marriages performed under one of its officially recognized religions, so couples wishing to legally register their marriage typically do so through a specialized third-party legal service, either in Indonesia or at home, before or after their celebration with us. We're happy to share general information, but legal registration itself sits outside what our team and planner arrange directly.

Weather. Bali's weather is part of island life. In the event of rain, your ceremony or reception can move to our covered deck area, so your celebration continues without missing a beat.

Guest counts. An intimate, non-privatized ceremony works for up to 15 guests. Beyond that, your celebration takes over the whole venue for the day — see the Wedding Package page for details.

Vendors. Bring your own photographer, florist, or band, or lean on our trusted local partners — either way, our team coordinates the details so your day runs smoothly.

Planning support. Want a hand pulling it all together? Our in-house wedding planner is available to help with planning, styling coordination, and day-of logistics — priced by guest count, from 16,500,000 IDR. Decoration and florals are arranged separately.

Local permits. A local banjar (village council) fee applies to beachfront ceremonies, in addition to your package price, and varies by event size.

G&J WEDDINGS ENTERTAINMENT

Set the perfect atmosphere for your celebration with entertainment tailored to your style and vision.

Whether you dream of live acoustic music during your ceremony, a lively band for dinner, or a DJ to keep the dance floor alive throughout the evening, we'll help create the perfect soundtrack for your special day.

Through our trusted local partners, we can also arrange traditional Balinese performances, professional photographers and videographers, hair & makeup artists, and other carefully selected services to complete your wedding experience.

WEDDING PACKAGE CAPACITY & PRICING

INTIMATE CEREMONY

Non-privatized, up to 15 guests

25,000,000 IDR

approx. USD 1,410 / AUD 1,985

FULL PRIVATIZATION

Exclusive use, up to 70 seated guests

50,000,000 IDR

Both prices are for venue use only. Groups of more than 15 guests require full privatization — set-up and pack-down need the whole day, so a shared-venue wedding isn't available above 15 people. A privatized wedding for 15 guests or fewer is still 50,000,000 IDR, since privatization is priced by exclusive use of the day, not by headcount. Food & beverage is priced separately — see Wedding Dining, from 690,000 IDR++ per person. A local banjar (village council) fee also applies to all beachfront ceremonies, in addition to the above, and varies by event size.

BOOKING & PAYMENT

A 30% deposit secures your date and is non-refundable. The remaining balance is due 30 days before your event. If you need to postpone due to weather or unforeseen circumstances, we'll work with you to move your date to another available slot at no extra charge when requested at least 14 days in advance. Cancellations within 30 days of the event forfeit the full payment.

G&J WEDDINGS WEDDING DINING

At Ginger & Jamu, we believe wedding dining should be relaxed, social, and full of flavour. Our menus are inspired by the dishes our guests know and love, featuring fresh ceviche, handcrafted tacos, vibrant salads, hummus with sourdough toast, crispy fish cakes, loaded nachos with guacamole and black beans, artisan grazing boards, and other wholesome bites made for sharing.

For couples wishing to showcase the flavors of Bali, we also offer a dedicated Balinese Corner with a selection of traditional local specialties, creating an authentic island experience for your guests.

Whether you choose roaming canapés, grazing tables, or a casual cocktail-style reception, our team will help you create a dining experience that reflects the relaxed spirit of Ginger & Jamu while celebrating the best seasonal ingredients Bali has to offer.
